Preliminary Announcement

Cardiological Society of India (Delhi Branch)

Dear Colleagues,

CSI Delhi Branch invites you to its 37th Annual Conference on **25th -26th March 2023 at Hotel Ashok, New Delhi**. We hope to engage your attention with a riveting program that aims to capture the latest advances that have happened in the last year. The conference will help our Cardiologists, Physicians & Fellows in achieving higher level of professional expertise by updating their knowledge to practice evidence based cardiology.

The conference will be attended by about 500 -700 eminent cardiologists, physicians and cardiology trainees (DM & DNB students) from Delhi, NCR & other neighbouring cities. It is full-fledged two day conference which will update you in the latest developments in the field of cardiovascular medicine. The Executive Committee of CSI Delhi branch is working hard to make a comprehensive scientific program which will cover a wide array of topics in the field of cardiology.

Our main focus of discussions and deliberation will be on recent advances in the last year that will help our physicians in his/her everyday clinical practice. There will be a wide array of lectures that will cover relevant topics as lectures, symposia, debates, views and counterviews and so on by eminent Cardiologists covering majority of cardiovascular diseases. We are also planning for a session dedicated for postgraduate students.

The conference is open to all members and non-members. It is mandatory for all delegates to register. Please encourage your Fellows /Students / Doctors to register. We hope that the conference will be an enjoyable academic treat. Please do block your dates for this academic extravaganza.

We look forward to welcoming you.
